Instructor: Dr. Patricia Salzman

Dr. Patricia Salzman, of the Classics and General Humanities Department and known in particular for her work on Ovid's *Metamorphoses*, will offer for the Winter Term an online course on Greek and Roman Mythology. We will study the major gods, goddesses and heroic tales of Greek and Roman myth and we will read some substantial ancient texts where these myths are transmitted. The reception of classical mythology in later times, especially in art and film will also be a component of the course. This fully online course will run from 12-21-2009 to 01-15-2010. There are no designated "class hours" but the student will have to complete different modules by specific deadlines. If you have any questions please contact Dr. Patricia Salzman ([salzmanp@mail.montclair.edu](mailto:salzmanp@mail.montclair.edu)).
